

## **Department of Health and Community Services Ambulance Listing**

There are three categories of ambulance services in the province:

- Hospital Based Ambulance Services - 12 Public Utilities Board Licenses
- Private Ambulance Services – 27 Public Utilities Board Licenses
- Community Ambulance Services – 22 Public Utilities Board Licenses

### **Hospital Bases Ambulance Services**

- Funded through the RHAs budgets
- Paramedics are RHA staff

The RHA ambulances services are positioned as follows:

- St. John's Metro – Minimum of 5 ambulances staffed to a maximum of 10 ambulances staffed during peak periods.
- Carbonear – One ambulance
- Gander – Two ambulances – One 24/7 and one call in
- Twillingate – One ambulance
- Grand Falls – Winsor - Two ambulances - One 24/7 and one call in
- Buchans – One ambulance
- Springdale – One ambulance
- Baie Verte – One ambulance
- Corner Brook – One ambulance (Note – Shared Emergency response with a private operator)
- Port Saunders – Two ambulances
- Flower's Cove – One ambulance
- Roddickton – One ambulance
- St. Anthony – Two ambulances
- North West River – One ambulance
- Labrador City – One ambulance

### **Private Ambulance Services**

- Funded through Service Agreements signed with HCS and the appropriate RHA (tri-partite)
- For profit service delivery
- Two associations and four independent operators:
  - NL Association of Ambulance Services
  - NL Ambulance Operator Association
  - Moore's, Delaney, MacKenzie and Tryco Ambulance Services
- Refer to the attached tables for position

### **Community Ambulance Services**

- Funded through Service Agreements signed with HCS and the appropriate RHA (tri-partite)
- For not for profit service delivery

### **Types of Funded Ambulances** (Refer to the tables starting on the next page)

- Primary ambulances (P1 and P2) – 24/7 emergency response. 4.5 FTEs per ambulances.
- Secondary ambulances (S1 to S6) – 12 hour staffing on week days (Routine transfers) – 2.5 FTEs for S1 and 2.0 FTEs for additional Secondary ambulances (S2 to S6).
- Isolated ambulances (I1) – Same as Secondary ambulances but provided additional funding due to their isolated location.
- Available ambulances (A1) – Minimal funding, no FTEs associated with the ambulances, used at the operators discretion.

### **Human Resource Profile**

- 790 registered paramedics (approximate) in 3 categories:
  - 265 Emergency Medical Responders (2 weeks training)
  - 485 Primary Care Paramedics (12 to 18 months training)
  - 40 Advance Care Paramedics (36 to 48 months training)
