- Are you willing to complete a short survey on your knowledge of, attitude towards, and use of **cricoid pressure**?
 - If you use it, don't use it, sometimes use it, don't know how to use it, never heard of it before... we want to hear from you!
- Physicians we are interested in hearing from include those in the following areas:
 - Anesthesiology
 - Emergency Medicine
 - Critical Care
 - Trauma
 - Family Physicians working in these areas
 - Residents training in these areas
- Chance to win a \$200 Amazon gift card!
