

April Feature

Looking to Your Future

Being prepared for the future can give you and your loved ones peace of mind. Learn how to have the difficult conversations that come with planning for the future and find out what steps you need to take when it comes to estate planning.

The [Complete Will Kit and Estate Planning Toolkit](#) is the best place to start laying out your wishes. It includes information about making a will in Canada, choosing an executor and a guardian if you have children, and estate and tax planning. You may also find [How to Hire and Work with a Lawyer](#) helpful.

Getting your documents in order is just one piece of the puzzle. [Working with a Financial Planner](#) may help you understand the steps you need to take for long-term security. And if you're still early in your career, the series [Financial Planning for Millennials](#) will walk you through the basics of short- and long-term saving, paying down debt, and setting goals for your money.
