## Virtual Annual General Meeting Accessible to all Members

Dear Colleagues:

I invite you to attend our upcoming Annual General Meeting on September 12, 2020. This year, our AGM will be delivered virtually and is open to all members. The activities will be scaled back to accommodate a virtual format, however we aim to continue the important business of the NLMA and use this opportunity to debate resolutions and help the Association set policy that will shape our collective future direction.

### Register to Attend

Delegates can register by clicking [NLMA AGM 2020](#). Registration will close at 5:00 p.m. on September 11, the day before the AGM. To limit emails for those who will not be joining the virtual AGM, only registered delegates will receive relevant notifications and the link to participate.

### Resolutions

Members are encouraged to submit resolutions by end of day Wednesday, September 9, 2020 for debate during the business session. Unlike previous years, where resolutions could be made from the floor, this year resolutions will only be accepted in advance of the AGM. Given the virtual format, it would be technically challenging to accept resolutions from the floor in an efficient and manageable manner. Movers of resolutions must join the virtual AGM with their seconder. Resolutions can be emailed to Lynn Barter, Associate Executive Director, at [lbarter@nlma.nl.ca](mailto:lbarter@nlma.nl.ca)

The 2021 AGM will return to its regular schedule in June.

Sincerely,

Charlene Fitzgerald, MD, CCFP, FCFP  
President
