MEMORANDUM

To: Family Physicians

From: Preschool Speech Language
Pathology Services - Rural Avalon

Date: June 11, 2019

Subject: Referral forms

It was recently discovered there was a problem in Eastern Health's telecommunications system that impacted Speech Language Pathology referrals being received at Preschool Services, Taylor Building, Harbour Grace, from January 16 - June 3, 2019. If you have sent a referral to Preschool Services during this time period using the fax numbers 579-3165 or Toll Free: 1-833-579-3165, the referral may not have been received. This matter has been resolved. Please resend the referral to numbers above. These numbers can be found on the Outpatient SLP Referral form found on the intranet and updated in January 2019.

Any referrals sent by mail or by fax to 945-6514, referrals should have been received. If you are unsure where you may have sent a referral, please email Barbara Hogan at barbara.hogan@easternhealth.ca and she can confirm if received. Once referrals are received, families are notified with a letter, and the referral source is always sent a copy.

If you have any questions, or require further information please contact Brenda at 709-945-6623 F: 709-945-6514.
