

MEMORANDUM

SENT OF BEHALF OF DR. GENA BUGDEN, VICE PRESIDENT, MEDICAL SERVICES

TO: All Physicians, Eastern Health
FROM: Dr. Gena Bugden, Vice President, Medical Services, Eastern Health
DATE: June 4, 2021
RE: Vaccine Administration

We would like to thank all physicians who came forward with your willingness to participate in the mass vaccine administration clinics organized by Eastern Health.

At this time, we have been advised by Human Resources that they have ample physicians orientated to meet our present needs. If the situation changes, we will contact those physicians that have already submitted their interest in participating.

Thank you.

Dr. Gena Bugden, MD CCFP(EM), FCFP
Vice President, Medical Services
Eastern Health
