MEMORANDUM

TO: All Providers who Utilize the Vascular Lab Services at St. Clare's Hospital

FROM: Dr. David Harrington – Director of St. Clare's Vascular Lab

DATE: April 18, 2022

RE: Requisitions for Vascular Lab Studies – St. Clare's Mercy Hospital

Please ensure an accurate physician/nurse practitioner office phone number is written on any e-order referrals being sent to the Vascular Lab to request testing. This is important to ensure any further information or follow-up questions regarding Vascular Studies are addressed in a timely manner and patients are scheduled appropriately.

Thank you.
