WorkplaceNL accepts Pandemic Virtual Care Assessment fee code

Please be advised that WorkplaceNL will compensate for physicians using the Pandemic Virtual Care Assessment MCP fee code (50000) under the same billing requirements as outlined by MCP in the [March 25th, 2020 MCP Newsletter](#). As with other medical visits for injured workers, WorkplaceNL will add a 20% premium to the MCP fee. Physicians should continue to use the current Form MD to document and bill for these visits, using the MCP fee code section as usual (upper right hand corner). WorkplaceNL will not require the functional abilities section to be filled out for these visits. As there is quite a backlog during this time due to very limited staff, delays in payment may occur. Most Form MD's are still paper-based, and an electronic fix is not possible at this time.
