

Eastern Health

MEMORANDUM

TO: All Family Care Providers

FROM: Regional Clinical Efficiency Program and Regional Medicine Program

Date: December 1, 2022

Subject: **New Process for Sending Referrals to Respiriology Services at Eastern Health**

Eastern Health is working to improve wait-times for Adult Respiriology Services. Effective December 5, 2022, we will now be accepting new referrals for the respirology group through a central intake process via email or fax.

The new central intake email is: respirology.intake@easternhealth.ca and

The new central intake fax number is: **777-2605**

Thank you.
