

Emergency Medicine – Locums Carbonear General Hospital, Carbonear, NL

About Us

Eastern Health is the largest, integrated health authority in Newfoundland and Labrador (NL) employing approximately 13,000 dedicated employees and servicing a population of more than 300,000 people. The authority offers the full continuum of health and community services including public health, long-term care, community services, hospital care and unique provincial programs and services. At Eastern Health, we pride ourselves on providing the highest quality care and service possible to the people in our communities, in our region, and in the province. To do that, we employ qualified, competent, and caring individuals who are dedicated to their professions and to your vision of Health People, Health Communities.

Eastern Health has Emergency Room locum opportunities available at the Carbonear General Hospital. The hospital provides services to a catchment area of approximately 50,000 people.

The hospital has 70 acute care beds with a 6 bed ICU. Specialty services include; Anesthesia, General Surgery, Obstetrical/Gynecology, Internal Medicine, Psychiatry, Pediatrics, Family Medicine (Hospitalist) and 24-hour Emergency coverage. Further supportive services include, 24-hour diagnostic imaging and laboratory services, physiotherapy, respiratory therapy, Chemotherapy, Pharmacy, Dialysis, ICU/Cardiac and Palliative Care. There are visiting services for ophthalmology and urology.

Long Term Care patients are located in the Private Josiah Memorial Pavilion. This is a long-term facility attached to the hospital.

Summary

These Locum positions are fee for service, and available immediately. The ER shifts are allocated in an equitable and predictable templated format. Emergency MD shifting is solo, with ER Nurse Practitioner support from 8am-4pm weekdays. Second Emergency MD shifting is also used as available during peak periods. Core generalist specialty support resources are in place, a dedicated ER portable ultrasound is based in the ER and 24 hour emergent CT scanning is available in the building.

Emergency shifts are worked day and night (respectively 10 hour and 14 hour shifts).
