

Memo

To: Employees & Physicians working in Corner Brook & Urban St. John's sites

From: Leah Carey, Regional Manager of Employee Health & Wellness - Western Zone
Tara Hunt, Regional Director of Human Resources – Eastern Zone

Date: June 1, 2023

Subject: Child Care for Health Care Workers Survey

Newfoundland & Labrador Health Services-Western Zone in conjunction with Eastern Zone and the Government of Newfoundland & Labrador are coordinating a pilot project to conduct a needs assessment for Child Care Services for Health Care Workers in two pilot cities:

Corner Brook
St. John's

Participants are **required to work** in a facility, community office, or clinic in the cities identified above. Community of residence does not affect participation in this survey. The survey is voluntary, anonymous, and takes approximately 5 minutes to complete. We strongly encourage employees and physicians to complete this survey, to ensure we can effectively evaluate the needs for these two pilot sites.

The survey link can be found [here](#) or via the QR code below. The survey is open until June 23rd, 2023.

The survey will be used to outline potential options for childcare services with recommendations and next steps for the pilot sites.
