

# INVITATION

# mastermind

Advancing Migraine Management

Developed by a multidisciplinary faculty, mastermind is a flexible educational program which can be accessed through live sessions or by self directed learning. This interactive, case-based modular program lead by the Canadian Headache Society aims to address clinical challenges and optimize migraine management strategies in the primary care setting.

## PROGRAM MODULES

- 1 Diagnosis and Lifestyle Counselling
- 2 Acute Treatment and Medication Overuse Headache
- 3 Preventive Treatments
- 4 Hormonal Factors and Auras
- 5 Focus on CGRP Blockade

## LEARNING OBJECTIVES

After participating in Module 2, participants will be better able to;

- Apply the basic principles of acute management of migraine
- Select appropriate acute treatment from the available options based on the Canadian guidelines, clinical data, patient characteristics, and response to prior therapies
- Identify medication overuse headache (MOH) and determine appropriate strategies to address it MOH, medication overuse headache

After participating in Module 3, participants will be better able to;

- Apply the basic principles of preventive management of migraine
- Identify indications to start a preventive therapy
- Communicate the available options for migraine prevention
- Recognize refractory migraine and refer patients to appropriate supports

After participating in Module 5, participants will be better able to;

- Summarize the role of CGRP in the pathophysiology of migraine
- Evaluate the characteristics of CGRP mAbs and gepants from a pharmacologic point of view
- Integrate the CGRP blocking medications in clinical practice for acute and preventive treatment of migraine mAb, monoclonal antibody

### SCIENTIFIC COMMITTEE

Elizabeth Leroux, MD, FRCPC - Chair  
Ghalib Ahmed, MD, CCFP, FCFP  
Jacques Bouchard, MD  
Jeffrey Habert, MD, CCFP, FCFP  
Gary Shapero, MD, CCFP, DAAPM  
Christie Tait, MN, NP-PHC

## SESSION DETAILS

**DATE:** Thursday May 16, 2024

**AGENDA:**  
6:15 pm NT Arrival  
6:30 pm - 8:00 pm NT Presentation  
8:00 pm NT Dinner & Evaluation

**LOCATION:** The Rock Steakhouse  
7 Navigator Ave  
St. John's, NL A1A 0R5

**SPEAKER:** Kyna Squarey, MD
