## Save the Date: NLMA President's Tour 2024

Dear Colleagues:

Every year, the NLMA meets with physicians as part of the President's Tour to provide members with an opportunity to share their thoughts and raise any region-specific issues for discussion. Learners are also welcome to attend. The tour is an opportunity to:

- Meet the current NLMA President and Executive Director
- Receive an update on the status of negotiations/arbitration
- Discuss priority issues for the Association
- Identify member questions or concerns
- Network with colleagues in your local branch (including surrounding communities)

All members are encouraged to attend this annual opportunity to actively participate in the work of the NLMA. Dates and communities are listed below. The NLMA will hold a virtual President's Tour meeting for those not able to attend one of the in-person tour stops.
