Dear Colleagues,

I am sorry to announce that I have made the very difficult decision to close my GI practice as of January 2025 and relocate to another province. Unfortunately, there is no physician to replace me at this point in time. I will be working closely with my colleagues and NLHS to ensure appropriate ongoing care for my patients. I will continue to be involved in the care of my patients until the 31st of January 2025.

I will not be accepting new referrals during this time. You may reach my office at 709 -777-5858 EXT 3 (fax 1-855-921-1831) or email me directly at vernier.kanagasabai@easternhealth.ca for any patient related correspondence.

Thank you for your cooperation and patience during this time.

Thank you for your kindness and support over the last 5 years, it has been an absolute pleasure to work alongside you.

Best Wishes,

Vernie Kanagasabai, MD, FRCP (C)
