Dear Fellow Physicians,

I am a Plastic and Reconstructive Surgeon who has recently returned home to Newfoundland and Labrador after working in Ontario for over 10 years. I am fellowship-trained in Cutaneous Oncology and Breast Reconstruction but will also be accepting general plastic surgery referrals effective immediately. Common referrals would include:

- Melanoma and Non-Melanoma Skin Cancer
- Immediate and Delayed Breast Reconstruction
- Breast Reduction
- Dupuytren's Contracture
- Trigger Finger
- Carpal Tunnel Syndrome

Referrals should be directed to the above email address.

I look forward to working with all of you.

Sincerely,

Aaron Grant
