## NLMA President's Tour 2025

Dear Colleagues,

Every year, the NLMA meets with physicians as part of the President's Tour to provide members with an opportunity to share their thoughts and raise any region-specific issues for discussion.

The NLMA President's Tour provides members throughout the province with an opportunity to:

- Meet their current NLMA President as well as the Executive Director of the Association
- Receive an update on the work of the NLMA
- Discuss priority issues for the Association
- Identify member questions or concerns
- Network with colleagues in your local branch (including surrounding communities)

All members, including learners, are welcome and encouraged to attend this annual opportunity.

Dates and communities are listed below. Details of a province-wide virtual session will be announced at a later date.
