Dear Colleagues,

Due to an overwhelming number of referrals for ADHD assessments, I am suspending this service as I work through the waitlist. I will continue to accept referrals for other complaints with the following exceptions:

1. Autism Spectrum Disorder assessments
2. Patients with a primary diagnosis of a substance use disorder
3. Patients with a primary diagnosis of an eating disorder
4. Complex geriatric patients
5. Complex pediatric patients

These referrals are better suited for specialized clinics.
